A MEMBERSHIP ORGANISATION  
FIGHTING CANCER TOGETHER

UICC unites the cancer community to reduce the global cancer burden, to promote greater equity, and to integrate cancer control into the world health and development agenda.

## Why we matter

**Over 950 members in 155 countries**, UICC unites the global cancer community

We have United Nations **ECOSOC status** and are in **official relations with UN agencies**: WHO, IARC, IAEA, UNODC

**90%** of our members say that they value UICC membership, with **80%** stating that we provide an “excellent” service

## Quotes from members

*“Health professionals from cancer and research centres can greatly benefit from the education and training opportunities provided through UICC’s international platforms.”*

**Eduardo L. Franco,**  
McGill University, Canada

*“UICC community provides us with the opportunity to work hand in hand with key decision-makers from around the world to address emerging issues at an international level.”*

**John McCormack,**  
Irish Cancer Society, Ireland

## Reasons to be a member

### Connect globally

Through our signature events and campaigns

- Expand your network and share knowledge on a global stage at the **World Cancer Congress**
- Meet and influence decision-makers at the **World Cancer Leaders’ Summit**
- Be a catalyst for change and join the **World Cancer Day** campaign ‘We can. I can.’
- Forge international partnerships and connect your organisation with the broader non-communicable disease (NCD) community

### A voice for the global cancer movement

Representing your priorities internationally

- Hold governments to account on their commitments, measuring and reporting progress
- Pursue a greater proportion of funds invested in cancer control
- Work towards the effective integration of cancer control into existing health systems
- Foster strategic multisectoral partnerships

### Increase your impact

Strengthen your organisational capacities

- Educational grants for fellowships and workshops
- Seed investments for innovative programmes
- Online and face-to-face training opportunities

Help others to strengthen their capacities

- Best practice and knowledge sharing internationally
- Peer-to-peer learning
