

# City Cancer Challenge

## Challenge City: Expression of Interest Form

Completed forms and supporting documents must be sent to: [ccan2025@uicc.org](mailto:ccan2025@uicc.org) before the deadline of 6 January 2019.

\*Compulsory fields

### Section I. Applicant information

The submission of applications to become a Challenge City must be led by the city leadership<sup>1</sup>, and be supported by at least one civil society organisation (CSO). This CSO must be either a UICC member or a CSO that is **eligible** and willing to become a UICC member. City Cancer Challenge partner organisations including industry (and organisations that are **eligible** and willing to become a City Cancer Challenge partner) can also support an application in collaboration with the city leadership and a CSO).

**Section II. Statement of Motivation**

Please provide a concise statement (in a maximum of 500 words) outlining the city's motivation for becoming a Challenge City:

### **Section III. Level of city commitment and progress in the implementation of cancer control measures**

Please highlight (in a maximum of 500 words) any significant progress or recent commitments in cancer control at the city level, including in the following key areas:

- A cancer and/or non-communicable disease policy/strategy/action plan
- Cancer registry data
- Radiotherapy capacity
- Oncology surgery
- Availability of chemotherapy
- Access to palliative care services and pain relief medicines

**Section IV: Agreement to City Cancer Challenge Guiding Principles**

**A Challenge City must be willing to:**

- Make an initial 2-year commitment to the Challenge City process
- Partner with the private sector, UN agencies, multi-lateral organisations and financing institutions, civil society, patients and caregivers, to adopt and implement the reforms needed to improve cancer care
- Take a participatory approach to decision-making in the planning and implementation process including the local community and patient representatives
- Adopt the key elements of a core package of cancer interventions
- Take an open and transparent approach to monitoring and evaluation of outcomes
- Invest its own resources - technical, financial and human, as appropriate, in the City Cancer Challenge process.

**Please tick box to confirm that the applicants identified in Section I of this form agree to City Cancer Challenge’s Guiding Principles**

**VI. Applicant Signatures**

**The undersigned confirm that all information is current and correct at the time of submission.**
