

2018 UICC Fellowship Programme Chairs and Review Committee members

The UICC has recruited a community of over 800 expert international reviewers who generously contribute their expertise to ensure the high-level peer review of applications whilst taking into account the international cross-cultural nature of the UICC Fellowship programmes. UICC would like to warmly thank the UICC fellowship Programme Chairs for their committed support and leadership on which our fellowship programmes depend:

Fellowship Programme Chairs

Professor W. Nicol Keith Professor of Molecular Oncology (Experimental Therapeutics) at the Institute of Cancer Sciences, Glasgow University, UK. Group Leader: Telomerase Therapeutics Group

Professor Keith chairs the [Yamagiwa-Yoshida Memorial International study grants](#) review committee and cochairs the [Technical Fellowship Programme](#)

Professor Robert Jones Professor of Clinical Cancer Research at the Institute of Cancer Sciences, Glasgow University, UK. Medical Oncologist at the University of Glasgow, Senior Lecturer in Clinical Pharmacology, Honorary Consultant Cancer Research UK - Beatson Laboratories Professor Jones serves as Co-Chair of the [Technical Fellowship Programme](#)

Professor Abdellatif Benider Medecin chef au centre Mohammed VI pour le traitement des cancers au CHU Ibn Rochd Casablanca, Morocco Professor Benider chairs the [Bourses pour l'Afrique Francophone programme \(BAF\)](#)

UICC would also like to thank the following international review committee members who work in conjunction with the Fellowships Programme Chairs to support us in evaluating fellowship applications to the different programmes within the UICC Fellowship Portfolio.
