7 Step Process of Updating NEMLs

STEP 01
Refer to the most recent version of the WHO Model List of Essential Medicines

STEP 02
Coordinate and collaborate with relevant partners in-country for the NEML review

Meeting relevant stakeholders, forming a review committee, creating a timeframe and requirements for additions/deletions/changes

STEP 03
Collate research and evidence for submission

STEP 04
Compile the evidence based on requirements and timelines

STEP 05
Plan to disseminate the revised NEML, in collaboration with MoH and relevant stakeholders

STEP 06
Ongoing monitoring and evaluation to ensure the implementation of the revised NEML and increase access to essential medicines

STEP 07
