

UICC Fellowship review committee members: Technical Fellowships, Bourses pour l'Afrique francophone and YY Study Grants

Programme Chairs

UICC would like to highlight the invaluable support of the Fellowships programme chairs. The delivery of the programme is dependent upon their continued support and expertise to help maintain a high standard of excellence in the selection of the individual fellows awarded.

[Nicol Keith](#)

Professor of Molecular Oncology and Experimental Therapeutics at Institute of Cancer Sciences, University of Glasgow, Scotland, UK

- Research and Public health Chair of the Technical Fellowships and the YY Study Grants

[Robert Jones](#)
